Development, and Related Agencies  
Washington, D.C. 20510

The Honorable Kirsten Gillibrand  
Ranking Member  
Senate Committee on Appropriations  
Subcommittee on Transportation, Housing, and Urban  
Development, and Related Agencies  
Washington, D.C. 20510

Dear Chair Hyde-Smith and Ranking Member Gillibrand:

The purpose of this letter is to request a technical correction to a Congressionally Directed Spending item included in the FY2024 Senate Transportation, Housing, and Urban Development, and Related Agencies bill, listed below. I certify that neither I nor my immediate family has a pecuniary interest in any of the Congressionally Directed Spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. I certify that the entity for which I have requested Congressionally Directed Spending is not a for-profit entity.

The nature of the requested technical correction is a change to the project recipient. The original project recipient, as listed in the FY24 JES, is no longer able to carry out the funding allocated for this Congressionally Directed Spending item. The Town of Jay is willing and able to carry out the project, in accordance with the project purpose as specified in the FY24 JES. This technical change is consistent with the project purpose as enacted in the FY24 consolidated appropriations act.

**Account funded in:** HUD EDI

**Project Name in FY2024 JES:** Center for Community Programs in Livermore Falls and Jay

**Recipient in FY2024 JES:** United Way of the Tri-Valley Area

**Project Purpose as originally requested in Legi-Mate:** To ensure that the AYS building is safe for occupancy. This will allow AYS to expand their offerings to the community by offering sports, workforce development, and a meeting space for community events.

**Request for technical change:** Change the recipient's name to "Town of Jay."

Sincerely,
